

Private Blend - Wonderful Night

Tom: Ab

m (com acordes na forma de Em)
Capostrate na 4ª casa

It's a wonderful night
And a beautiful dawn
And a wonderful morning
When the sun's shining on

Your eyes is shining, greeting the dark
What's left unspoken, unable to talk
That for a brief moment the earth stopped turning
And it fell in love

Oh, It's a wonderful night
And a beautiful dawn
Oh, And a wonderful morning
When the sun's shining on
Oh, And a wonderful morning
When the sun's shining on

Oh... oh
Yeah... yeah... yeah
Yeah... yeah... yeah

When pitch black turns into blue
With my eyes wide open, I spot something new

Now I know that you love me 'cause there's something happening
in the depths of your heart

Oh, It's a wonderful night
And a beautiful dawn
Oh, And a wonderful morning
When the sun's shining on
Oh, And a wonderful morning
When the sun's shining on

Oh... oh..
Yeah... yeah... yeah
Yeah... yeah... yeah
Yeah... yeah... yeah
Yeah... yeah... yeah

Oh, It's a wonderful night
And a beautiful dawn
Oh, It's a wonderful night
And a beautiful dawn
Oh, And a wonderful morning
When the sun's shining on
Oh, And a wonderful morning
When the sun's shining on
