(when you)

Verse 1:

When you knew that I had given  
 All the kindness that I had  
 Did you think that it might be time to stop  
 When you knew that I was through  
 That I'd done all I could do  
 Did you really have to milk the final drop

Chorus [last half notated in sharp keys to avoid double-flats, e.g. Cb7b]:

Gb Gb7

Not content with my mistake

You behaved just like a snake  
 And left me for a wasp without a sting  
 Tell all [1: my friends 2: the folks] back home  
 That [1: I 2: he] did it on [1: my 2: his] own  
 And that to their well-worn cares they should cling

Bb7

Verse 2:

When you knew that I had given  
All the kindness that I had  
Did you feel you had to break that lonely vow

When you knew that I was through  
That I'd done all I could do  
Did you really have to sow that final plow

[repeat chorus]
