

Procol Harum - Milk Of Human Kindness

```
Tom: Gb
                                                                    Not content with my mistake
                                                                          Cb
                     (Gary Brooker - Keith Reid)
                                                                    You behaved just like a snake
Intro: (keyboard arr. for guitar; 2X [1: piano, 2: organ])
                                                                                                  Cb
                                                                         Gb
                                                                                   Gb7
                                                                    And left me for a wasp without a sting
                                                                                 Ebm
                                                                    Tell all [1: my friends 2: the folks] back home
        ٧
                                                                                         Abm
                                                                                                          Dhm
                                                                    That [1: I 2: he] did it on [1: my 2: his] own
       piano:
                                                                                               Gb7
                                                            Bb7
       F7 Bb7
                                                                    And that to their well-worn cares they should cling
       / / / /
                                                            Instrumental break:
       (fuzz guitar):
                                                                    guitar solo:
                              C<sub>b</sub>7
                                                                    Fbm
                                                                                     Cb7
                                                                     Ebm
                                                                             Gb Db Ebm
                                                                     ////
       Ebm
                                                                                     Cb7
                                Bb7
                                          Ebm
                                                                    Ebm
                                                                             / / / / / / / / / / / / F7 Bb7 Ebm
                                                                     ////
                                                                    Ebm
                                                                     (when you)
                                                            Verse 2:
Verse 1:
                                                                    When you knew that I had given
                                                                    All the kindness that I had
       When you knew that I had given
                                                                    Did you feel you had to break that lonely vow
               Cb7
                                                                    When you knew that I was through
       All the kindness that I had
                             Gb
                                      Db
                                             Ebm
                                                                    That I'd done all I could do
       Did you think that it might be time to stop
                                                                    Did you really have to sow that final plow
               Ebm
       When you knew that I was through
                                                            [repeat chorus]
                C<sub>b</sub>7
       That I'd done all I could do
                                                            [repeat instrumental break]
                                       Db
                              Gb
       Did you really have to milk the final drop
                                                            Coda:
Chorus [last half notated in sharp keys to avoid double-flats,
                                                                    jam on Ebm to fade
e.g. Cb7b]:
                                                            -- another ace 60's tab from Andrew Rogers
               Gb
                            Gb7
Acordes
