

Procol Harum - Pilgrims Progress

Tom: D

Tabbed by:PJVillanueva

1
 I sat me down to write a simple story
 which maybe in the end became a song

In trying to find the words which might begin it
 I found these were the thoughts I brought along

2
 At first I took my weight to be an anchor
 and gathered up my fears to guide me round
 but then I clearly saw my own delusion
 and found my struggles further bogged me down

3
 In starting out I thought to go exploring
 and set my foot upon the nearest road
 In vain I looked to find the promised turning
 but only saw how far I was from home

Middle eight
 In searching I forsook the paths of learning
 and sought instead to find some pirate's gold
 In fighting I did hurt those dearest to me
 and still no hidden truths could I unfold

4
 I sat me down to write a simple story
 which maybe in the end became a song
 The words have all been writ by one before me
 We're taking turns in trying to pass them on
 Oh, we're taking turns in trying to pass them on
