

# Project 46 - Beautiful (It Hurts)

Tom: A

(com acordes na forma de G )

Capostrate na 2ª casa

So tired of waiting  
Em C

I'm halfway out the door again  
G

Sometimes I wonder  
Em C

Just why we're in the same place  
G

Again, again, again, again, again  
D Em C

It's as if we like the pain, the pain, the pain, the pain, the pain  
C Em

I don't know why but I can't let go  
Em G C

Though it kills me slowly  
Em G C

I can't say no  
Em G C

Addicted, it's twisted, but I can't resist  
Em G C

So beautiful it hurts  
Em G C

So beautiful it hurts  
Em G C

So beautiful it hurts  
Em G C

And it hurts, hurts, hurts, whoah oh  
Em G C

With you I'm naked  
Em C

You see beneath the skin I'm in  
G

Fighting like thunder  
Em C

Lighting strikes, the rain comes  
G

And it hurts, hurts, hurts, whoah oh  
D Em C

Again, again, again, again, again

We relight the flame, the flame, the flame, the flame, the flame  
D Em C

Oh so let it burn cause I can't let go  
Em G C

Though it kills me slowly  
Em G C

I can't say no  
Em G C

Addicted, it's twisted, but I can't resist  
Em G C

So beautiful it hurts  
Em G C

So beautiful it hurts  
Em G C

So beautiful it hurts  
Em G C

And it hurts, hurts, hurts, whoah oh  
Em G C

Something that you do makes me feel so alive  
D Em

You're the only honesty I've ever known in my life  
C D

With you I feel like I'm home, I'm home  
Em C

I can't let go  
Em G C

Though it kills me slowly  
Em G C

I can't say no  
Em G C

Addicted, it's twisted, but I can't resist  
Em G C

So beautiful it hurts  
Em G C

So beautiful it hurts  
Em G C

So beautiful it hurts  
Em G C

And it hurts, hurts, hurts, whoah oh  
Em G C
