

Psychedelic Furs - Love My Way

Tom: G
Intro: C7M Bm C7M Bm

[Verso 1]

There's an army on the dance floor
It's a fashion with a gun my love
In a room without a door
A kiss is not enough... in

[Refrão]

Love my way it's a new road
I follow where my mind goes

[Verso 2]

They'd put us on a railroad
They'd dearly make us pay
For laughing in their faces
And making it our way
There's emptiness behind their eyes
There's dust in all their hearts

They just want to steal us all and
Take us all apart... but not in

[Refrão]

Love my way it's a new road
I follow where my mind goes
Love my way it's a new road
I follow where my mind goes
Love my way it's a new road
I follow where my mind goes

[Verso 3]

So swallow all your tears my love
And put on your new face
You can never win or lose if
You don't run the race
Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
