

# Public Domain Project - Boobs

Tom: D

(Bm, F )

Your boobs?re on my lips. Your boobs?re on my lips

Your boobs?re on my lips. Your boobs?re on my lips

And I tr\_y, everyda\_y, I swear to go\_d, I deserve them

When I meet you at the beach, ma breathe goes away

When I arrive in my house, would be nice that you were inside

Grab my han\_ds, playing games

Feels all ri\_ght, have a good time

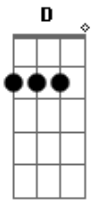

Realize how?s good have someone to live

And reali\_ze that?s the best time

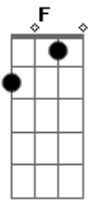

Your boobs?re on my lips. Your boobs?re on my lips

Your boobs?re on my lips. Your boobs?re on my lips
