Un amor que se me fue  
 Otro amor que me olvidó  
 Por el mundo yo voy penando  
 Amorcito quien te arrullará  
 Pobrecito que perdió su nido  
 Sin hallar abrigo muy solito va  
 Caminar y caminar  
 Ya comienza a obscurecer

Y la tarde se va ocultando  
 Amorcito que al camino va  
 Amorcito que perdió su nido  
 Sin hallar abrigo en el vendaval  
 Amor senderito del alma  
 Que vives en mi corazón  
 Sin ti he perdido la calma  
 Senderito del alma  
 Senderito de amor
