

Puff Daddy - I'll Be Missing You FT Faith Evans

Tom: G

1. seems like yesterday we used to rock the show, i laced the track, you locked the flow

So far from hangin on the block for dough, notorious they got to know that

Life ain't always what it seems to be, words can't express what you mean to me

Even though you're gone, we're still a team, through your family, i'll fulfil your dream.

2. in the future, can't wait to see, if you'll open up the gates for me, reminisce some

Time, the night they took my friend, try to black it out, but it plays again

When it's real, feeling's hard to conceal, can't imagine all the pain i feel

I'd give anything to hear half your breath, i know you're still living your life

Every step i take, every move i make

Every single day, every time i pray, i'll be missing you

Thinking of the day, when you went away

What a life to take, what a bond to break, i'll be missing you

2. it's kinda hard with you not around, know you're in heaven smiling down

Watching us while we pray for you, every day we pray for you

Til the day we meet again, in my heart is where i'll keep you, friend

Memories give me the strength i need to proceed, the strength i need to believe

4. my thoughts b.i.g. i just can't define, wish i can turn back the hands of time

Us in the 6th, shopping for new clothes and kicks, you and me taking flicks

Making hits, stages they received you on, i still can't believe you're gone

I'd give anything to hear half your breath, i know you're still living your life

One glad morning, when this life is over i know, i'll see your face

"every night i pray, every step i take, every move i make, every single day

Every night i pray, every step i take, every move i make, every single day."
