Intro: G Bm Em
                                                                You better hope
       G Bm Em
       G Bm Em
                                                               You'll find someone, and you'll try, but you won't
       G Bm Em
                                                               Em 'Cause after everything we've been through
[Primeira Parte]
                                                                 Oh baby, I wanna know
The days blur into one
                                                               ( G Bm Em G Bm Em )
                                                               ( G Bm Em G Bm Em )
And I float around the edge of them
                                                               [Solo] G Bm Em G Bm
 Searching for something
                                                                        Bm Em G Bm
                                                                      G Bm Em G Bm
That'll make me feel alive again
                                                                      G Bm Em G Bm Em
                Bm
                                                                      G Bm Em G Bm
  These past few weeks in a hell of my own creation
                                                               [Ponte]
   Bm A
  I try vegan food, I take up meditation
                                                                          Bm A
                                                                 I hope somehow I never see you again
[Refrão]
                                                                 And if I do it's at your funeral or better yet
               В7
                                                                           Bm
 I hope you're doing fine on your own
                                                                 I hope the world explodes
Em 'Cause after everything we've been through
                                                                 I hope that we all die
 You better hope
                                                               We can watch the highlights in hell
You'll find someone, and you'll try, but you won't
                                                               I hope they?re televised
 "Cause after everything we've been through
                                                               [Refrão]
 Oh baby, I wanna know
                                                                              B7
                                                                 I hope you're doing fine on your own
[Segunda Parte]
                                                                 'Cause after everything we've been through
  What you were thinking
                                                                You better hope
When you saw me in the produce section
                                                                 You'll find someone, and you'll try, but you won't

 Buying organic food
 Making healthy selections?
                                                                 Oh baby, I wanna know
 I asked you how you've been
                                                               ( G Bm Em G Bm Em )
Not that it's any of my business
                                                               [Final] G B7 C G
