

# Pussycat - Mississippi

Tom: C

Intro: C F F C C F F G G7

Where you can hear the Country song from far,  
 and someone play the honky tonk guitar  
 Where all the lights will go out one by one,  
 the people join the song and the wind takes it away  
 Where the Mississippi rolls down to the sea,  
 and lovers found a place their like to be  
 How many times before the song was ending,  
 love and understanding everywhere around  
 Mississippi, I remember you,  
 whenever I should go a-way, I belonging for the day when I

will be in Greenville again

Mississippi, you'll be on my mind,  
 everytime I hear this song, Mississippi roll along until the  
 end of time  
 Mittelteil: Now the Country song forever lost it's soul,  
 when the guitar player turned to Rock 'n' Roll  
 And everytime when Summer nights are falling,  
 I'll always will be caught in dreams of yesterday  
 Mississippi, ...  
 everytime I hear this song, Mississippi roll along until the  
 end of time  
 Outro: C F F C C F F C
