

PVRIS - My House

Tom: G

I feel you in these walls,
 You're a cold air creeping in,
 Chill me to my bones and skin.
 I heard you down the hall,
 But it's vacant when I'm looking in,
 Oh Who let you in?
 You walk around like you own the place,
 But you never say anything.
 I caught you walking straight through my walls,
 Guess it was all my fault.
 I think I let you in.

Never thought that I would feel like this,
 Such a mess when I'm in your presence.
 I've had enough, I think you've been making me sick,
 Gotta get you out of my system. Yeah
 It's my house,
 And I think it's time to get out.
 It's my soul,
 It isn't yours anymore.
 It's my house,
 And I think it's time to get out.
 Yeah, I think it's time to get out.

You're at my bedroom door,
 Heard your footsteps on the floor,
 Closer than ever before.
 And now you're in my room,
 You're a cold air creeping through,
 Under sheets avoiding you.
 You walk around I can hear you pace,
 Circling my bed frame.
 Oh but now we're face to face,
 Head on my pillowcase,
 But darling, you can't stay.

Never thought that I would feel like this,
 Such a mess when I'm in your presence.
 I've had enough, I think you've been making me sick,
 Gotta get you out of my system. Yeah
 It's my house,
 And I think it's time to get out.
 It's my soul,
 It isn't yours anymore.
 It's my house,
 And I think it's time to get out.
 Yeah, I think it's time to get out.

Haven't you heard?
 I'm not yours anymore.
 I'm not yours anymore.
 It's my soul, and I think it's time to get out.
 Haven't you heard?
 I'm not yours anymore.
 I'm not yours anymore.
 It's my house.

(I feel you in these walls,
 You're a cold air creeping in,
 Chill me to my bones and skin.)

Never thought that I would feel like this,
 Such a mess when I'm in your presence.
 I've had enough, I think you've been making me sick,
 It's my house,
 And I think it's time to get out.
 It's my soul,
 It isn't yours anymore.
 It's my house,
 And I think it's time to get out.
 Yeah, I think it's time to get out.
 Oh yeah, oh oh oh oh oh
 Yeah I think it's time to get out
