

Quadrilha - Madrugar

Tom: D

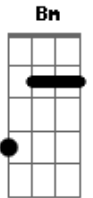

Hoje eu vou madrugar
 Ver a flor nascer
 Força que abre o chão sem pá
 Impossível de deter
 Assistir ao céu bailar
 Lua e sol, anarriê
 Firmamento a farrear
 Só a madrugada vê
 Noite que acortina o sol
 Sopro que faxina o luar
 Dessa vida só sabe
 Quem madrugar
 Quero ver quem colhe a prece
 E repõe em seu lugar
 A esperança muda,
 Flor do madrugar

(D F Ab Eb D)
 Vai se recolher, luar
 No final do céu
 Não sem antes transbordar
 Sutileza em todo breu
 Vem o sol desempenhar
 Seu papel de astro-rei
 Luz que urge o despertar
 Anuncia o amanhecer
 Tudo o que eu não pude ver
 Nem tampouco desvendar
 Me aguarda, ansioso, noutra
 Madrugar
 Esperança, pranto, pressa
 Voz, mistério, véu, pulsar
 Astros em ciranda e olhar alheio
 Ao mar
