

# Quarteto em CY - Eu Vim da Bahia

Tom: G

Eu vim da Bahia cantar.

Eu vim da Bahia contar.

GM7

Eu vim

Eu vim da Bahia cantar

Eu vim da Bahia contar

Tanta coisa bonita que tem

Na Bahia, que é meu lugar

Tem meu chão, tem meu céu, tem meu mar

A Bahia que vive pra dizer

Como é que se faz pra viver

Onde a gente não tem pra comer

Mas de fome não morre

Porque na Bahia tem mãe Iemanjá

De outro lado o Senhor do Bonfim

Que ajuda o baiano a viver

Pra cantar, pra sambar pra valer

Pra morrer de alegria

Na festa de rua, no samba de roda

Na noite de lua, no canto do mar

Eu vim da Bahia

Mas eu volto pra lá

Eu vim da Bahia

Mas algum dia eu volto pra lá
