

Quarteto Ômega (2004) - Habita Em Mim

tom:

Intro: E A Gbm E B E Badd9

[Estrofe]

Habita em mim Jesus

Preciso de ti

O mundo é mal

Quer me destruir

Tua graça me basta

Me dar mais vigor

Sem ela eu não posso

Viver meu Senhor

[Refrão]

Anelo um dia contigo morar

Pois sei que meu nome contigo está

E tenho a certeza que chegarei lá

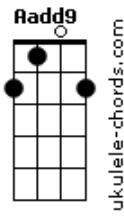

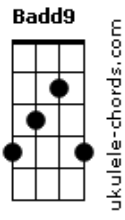

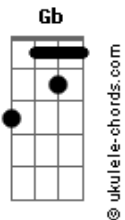

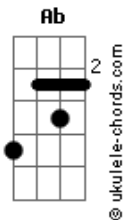

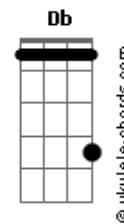

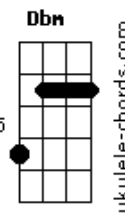

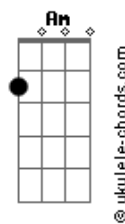

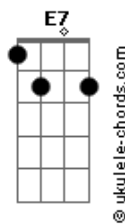

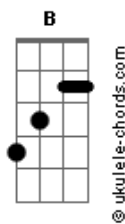

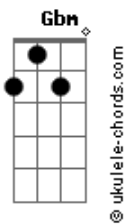

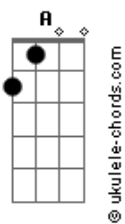

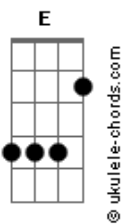

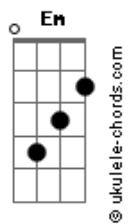

Bem seguro em teus braços

Eu posso descansar

[Solo] E A Gbm E B E Badd9

[Estrofe]

Acordes

Quão maravilhoso

Sentir tua mão

A tua presença

No meu coração

Me dá a certeza

Que só não estou

Me sinto amparado

Pelo teu amor

[Refrão]

Anelo um dia contigo morar

Pois sei que meu nome contigo está

E tenho a certeza que chegarei lá

Bem seguro em teus braços

Eu posso descansar

[Solo] E A Gbm E B E Badd9

Bem seguro em teus braços

Eu posso descansar

Bem seguro em teus braços

Eu posso descansar
