

# Queen - A Winter's Tale

Tom: G

It's Winter fall  
 Red Skies are gleaming  
 Seagulls are flying over  
 Swans are floatin' by  
 Smoking chimney tops  
 Am I dreaming?  
 Am I dreaming?

(verse 2 as above and then.....)  
 Dreaming..... so quiet and peaceful

Dreaming..... tranquil and blissful  
 Dreaming..... there's a kind of magic in the air!  
 Dreaming..... what a truly magnificent view!  
 Dreaming..... a breathtaking scene  
 And the dreams of the world in the palm of your hand

(and later on.....)  
 It's all so beautiful like a landscape painting in the sky  
 Mountains are zooming higher  
 Little girls cry. My world is spinning and spinning  
 It's unbelievable... sends me reeling  
 Am I dreaming? Am I dreaming? Oh it's bliss
