

Queen - Another One Bites the Dust

Tom: C
Intro: (E G E A)

Verso 1:
(E G E A)
Let's go
Steve walks warily down
the street
With his brim pulled way
down low
Ain't no sound but the sound of
his feet
Machine guns ready to go
Are you ready, are you ready
for this
Are you hanging on the edge of you seat
Out of the doorway the bullets rip
To the sound of the beat, yeah ...

Refrão:
(E G E A)
Another on bites the dust
Another one bites the dust
And another one goes and
another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust

Verso 2:
Em
How do you think I'm going to get alone
Without you when you are gone
You took me for everything that I had
And kicket me out on my own
Are you happy, are you sastisfied
How long can you stand the heat
Out of the doorway the bullets rip
To the sound of the beat

Refrão:

(E G E A)
Another on bites the dust
Another one bites the dust
And another one goes and
another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust
Another one bites the dust, houuu ...
Another one bites the dust,
hey, hey
Another one bites the dust,
heee ...

Verso 3:
Em
There are plenty of ways,
you can hurt a man
And bring him to the ground
You can beat him
You can cheat him bad and
You can treat him bad and
leave him
When he's down
But I'm ready, yes I'm ready for you
I'm standing on my own two feet
Out of the doorway the bullets rip
Repeating to the sound of the beat

Refrão:
(E G E A)
Oh, yeah, another one bites the dust
Another one bites the dust
And another one goes and
another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust,
heee ...
All right ...
