

Queen - Cool Cat

Tom: E

You're taking all the sunshine away
 Making out like you're the mainline - I knew that
 Cos you're a cool cat Tapping on the toe with a new hat
 Just cruising - driving along like the swing king
 Feeling the beat of my heart
 Feeling the beat of my heart
 You're a cool cat Coming on strong with all the chit-chat
 You're alright hanging out and stealing all the limelight
 Messing with the beat of my heart
 Messing with the beat of my heart
 (Dbm D)
 You used to be a mean kid Making such a deal of life
 You were wishing and hoping wand waiting to really hit the big

time
 But did it happen, happen, no You're speeding too fast
 Slow down Slow down You'd better slow down
 Slow down
 (E A E A)
 You really know how to set the mood
 And you really get inside the groove
 Cool cat Tapping on the toe with a new hat
 Just cusing Driving along like the swing king
 Feeling the beat of my heart
 Feeling the beat of my heart - yeah yeah
 Feeling the beat of my heart
 Feeling the beat of my heart
 Feeling the beat of my heart
 Feeling the beat of my heart
 Feeling the beat of my heart
 Feeling the beat of my heart
