## Acordes

Oh yeah

We touch and you're afraid of me  
And we burn and now I'm at your feet  
High speed, but you know you're in safe hands  
Ooh, in the dark we make a brighter light  
From one spark to the horizon wide  
We trust, and together we tame the land, yeah

Oh you'd be forgiven if you think you're dreaming  
But we're working night and day to make a dream come true,  
yeah  
Everything I do is driven by you  
Oh, come on babe

Oh well it's tough to make a journey through  
The right stuff is dead ahead of you and me  
And you know we still got time  
Whooh, hold on tight to the driving wheel  
This ride is really out of line  
Raw deal, but there's no other that's worth a dime

You know I love you but you drive me crazy  
'Cos you're saying all the things I want to say to you  
(You say) Everything I do is driven by you  
Everything we do, oh yeah, everything we do  
Everything we do, everything we do  
Everything we do is driven by you

Inner children lost their way  
Now they know the price you pay  
I'm holding on to life with you  
'Cos life without you just won't do  
Driven by you

Ahh, you know we're never gonna know who's dreaming  
But we're working night and day to make the dream come true  
Yeah everything I do is driven by you  
Everything we do, everything we do, everything we do  
Yeah everything we do, everything we do, yeah everything we do  
Everything we do, everything we do, everything we do..  
... is driven by, driven by, driven by you

Yeah  
Ooooh everything I dooo, I do for you
