

Queen - Earth

Tom: **C**

Am

Verse 1:

Am **D** **G** **Em**
I might be at a table and suddenly I'll catch
C **D** **G**
a fleeting vision of her crystal seas
Am **D** **G** **Em**
or I might be standing in a crowded dockyard far away
C **D** **G**
underneath the sun I've never seen
Chorus:

C **G** **Am**
For I have seen many worlds for what its worth
C **G** **Am** **F**
but I'll never see again the planet Earth, my Earth.

Verse 2 - Chords as versel:

I might be chasing waves of light out towards the rim
where the stars are sparse and the cold of space seeps in.
Or I might be in a bar room drinking methylated gin
and thinking of the places I have been

Chorus:

Yes I have seen many worlds for what its worth
but I'll never see again the planet Earth, my Earth

Instrumental:

Chorus again:

Yes I have seen many worlds for what its worth
but I'll never see again the planet Earth, my Earth

Verse 3: As for verse 1:

Cast adrift amongst the stars I float from sun to sun
dreaming of the world that gave me birth

All the places I have been remind me there is none
to match the cool green rolling hills of earth

Chorus:

Yes I have seen many worlds for what its worth
but I'll never see again the planet Earth, my Earth
