

# Queen - Earth

Tom: C

Am

Verse 1:

I might be at a table and suddenly I'll catch  
 a fleeting vision of her crystal seas  
 or I might be standing in a crowded dockyard far away  
 underneath the sun I've never seen

Chorus:  
 For I have seen many worlds for what its worth  
 but I'll never see again the planet Earth, my Earth.

Verse 2 - Chords as verse1:

I might be chasing waves of light out towards the rim  
 where the stars are sparse and the cold of space seeps in.  
 Or I might be in a bar room drinking methylated gin  
 and thinking of the places I have been

Chorus:  
 Yes I have seen many worlds for what its worth  
 but I'll never see again the planet Earth, my Earth

Instrumental:  
 Chorus again:  
 Yes I have seen many worlds for what its worth  
 but I'll never see again the planet Earth, my Earth

Verse 3: As for verse 1:  
 Cast adrift amongst the stars I float from sun to sun  
 dreaming of the world that gave me birth

All the places I have been remind me there is none  
 to match the cool green rolling hills of earth

Chorus:  
 Yes I have seen many worlds for what its worth  
 but I'll never see again the planet Earth, my Earth
