

Queen - Friends Will Be Friends

```
tom:
Intro: F A Dm F
       Bb Eb Bb F
Another red letter day
So the pound has dropped
And the children are creating
               Gm
The other half run away
Taking all the cash
And leaving you with the lumber
Got a pain in the chest
           Dm
Doctors on strike
What you need is a rest
      Gm
It's so easy, love
But you've got friends you can trust
Friends will be friends
When you're in need of love
         Dm
They give care and attention
Friends will be friends
When you're through with life
And all hope is lost
Hold out your hand
'Cause friends will be friends
```
