

Queen - Heaven For Everyone

Tom: G

This could be heaven?
 This could be heaven?
 This could be heaven for everyone

In these days of cool reflection
 You come to me and everything seems alright

In these days of cold affections
 You sit by me - and everything's fine

This could be heave for everyone
 This world could be fed, this world could be fun

This could be heaven for everyone
 This world could be free, this world could be one

In this world of cool deception
 Just your smile can smooth my ride

These troubled days of cruel rejection, hmm

You come to me, soothe my troubled mind
 Yeah, this could be heaven for everyone

This world could be fed, this world could be fun
 This could be heaven for everyone, yeah
 This world should be free, this world could be one
 We should bring love to our daughters and sons
 Love, love, love, this could be heaven for
 eve?ry?oneeee?

You know that
 This could be heave for everyone
 This could be heave for everyone

Solo Guitarra
 Listen - what people do to their souls

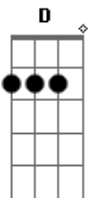

They take their lives - destroy their goals
 Their basic pride and dignity
 Is stripped and torn and shown to pity
 When this should be heaven for eve?ry?oneee?

This could be heaven?
 This could be heaven?
 This could be heaven for everyone
