 Just walking down the street  
**Gb**  
 One cloudless sunny day  
**Bbm** **Gb**  
 Just minding my business thinking my thoughts

Nothing much to say  
**Db**  
 When suddenly I got hit  
**Gb**  
 Imagine my surprise  
**Db**  
 Your smile came up and zapped me  
**Gb**  
 Right between the eyes

[Segunda Parte]

**Bbm**  
 Stuck in the traffic  
**Gb**  
 Stuck at the lights what do I see  
**Bbm** **Gb**  
 Some stupid bimbo in a fast car next to me

 She takes off

 Imagine my disgust

 Like a bat out of hell  
**Gb**  
 I get to eat her dust
