

Queen - Killer Queen

tom:

A

She keeps Moet and Chandon in her pretty cabinet
 "Let them eat cake," she says, just like Mary Antoinette
 A built in remedy for Kruschev and Kennedy
 And any time an invitation you can decline
 Caviar and cigarettes, well versed in etiquette
 Extraordinarily nice. She's a Killer Queen
 Gunpowder, gelatine, dynamite with a laser beam
 Guaranteed to blow your mind, anytime, ooh
 Recommended at the price, insatiable an appetite
 Wanna try?

To avoid complications, she never kept the same address
 In conversation she spoke just like a baroness
 Met a man from China, went down to Geisha Minah
 Then again incidentally if you're that way inclined
 Perfume came naturally from Paris
 For cars she couldn't care less
 Fastidious and precise. She's a Killer Queen

Gun powder, gelatine, dynamite with a laser beam
 Guaranteed to blow your mind, anytime, ooh

Drop of a hat, she's as willing as, playful as a pussycat
 Then momentarily out of action
 Temporarily out of gas to absolutely drive you
 Wild, wild. (She's out to get you) She's a Killer Queen
 Gunpowder, gelatine, dynamite with a laser beam
 Guaranteed to blow your mind, anytime, ooh
 Recommended at the price, insatiable an appetite
 What a drag!
