And ^F tear it ^G all apart

All I do is ^{Am} give ^F

All you do is ^G take ^C

Baby why don't you ^F give me ^{Ab}

A ^G brand ^C new start

So let me ^F live (so let me live)

Let me ^C live (leave me alone) ^F

Let me ^{Ab} live, oh baby ^C

And make a ^G brand ^C new start

Why don't you ^C take another ^{Em} little ^F piece of my soul

Why don't you ^C shape it and ^{Em} shake it 'till you're

really in ^F control ^G

All you do is ^{Am} take ^F

And all I do is ^G give ^C

All that I'm ^F askin' ^{Ab}

Is a ^C chance to ^{Em} live

(So let me ^F live) - so let me live ^C

(Leave me alone) - let me ^F live, let me live ^{Ab}

Why don't you ^G let me make a ^C brand new start

Bridge

And it's a ^F long ^{Dm} hard struggle

But you can always ^G depend on me ^C

And if you're ever in ^F trouble - hey ^{Gbdim}

^C You know where I will be ^{Dm} ^{Em} ^F ^G

Why don't you ^C take another ^{Em} little ^F piece of my life

Why don't you ^C twist it, and ^{Em} turn it

And cut it like a ^F knife ^G

All I do is ^{Am} live ^F

All I do is ^G die ^C

Why can't we ^F just be ^{Ab} friends

Stop ^G livin' a ^C lie

So let me ^F live (so let me live)

Let me ^C live (leave me alone) ^F

Please let me ^{Ab} live ^G

(Why don't you ^G live a little) ^{Ab}

Oh yeah baby ^G ^{Ab}
