

Queen - Long Away

Tom: A

[1]

You might believe in heaven, I would not care to say

For every star in heaven, there's a sad soul here today

Wake up in the morning with a good face

stare at the moon all day

Lonely as a whisper on a star chase

does anyone care anyway?

For all the prayers in heaven

so much of life's this way

[Chorus:]

Did we leave our way behind us?

Such a long, long way behind us?

Who knows when, now who knows where?

A

Where the light of day might find us?

Look for the day.

Take heart, my friend, we love you
though it seems like you're alone
A million lights above you
smile down upon your home
Hurry put your troubles in a suitcase
Come let the new child play
Lonely as a whisper on a star chase
I'm leaving here, I'm gone away
For all the stars in heaven

I would not live, I could not live, this way

Did we leave our way behind us?
Such a long, long time behind us?

Leave it for some hopeless lane

Such a long, long way
Such a long, long way

Such a long, long way

I'm looking for, still looking for that day
