

# Queen - Lost In Love

Tom: G

(intro)

I realize the best part of love is the thinnest slice  
And it don't count for much

but I'm not letting go

I believe there's still much to believe in

So lift your eyes if you feel you can

Reach for a star and I'll show you a plan

I figured it out

What I needed was someone to show me (G Gb G B A - bass only)

You know you can't fool me

I've been loving you too long (G Gb)

It started so easy

You want to carry on (to carry on)

(refrão)

Lost in love and I don't know much

Was I thinking aloud

Fell out of touch

But I'm back on my feet

And eager to be what you wanted

So lift your eyes if you feel you can (feel you can)

Reach for a star and I'll show you a plan (show you a plan)

I figured it out

What I needed was someone to show me

(G Gb G B A - bass only)

You know you can't fool me

I've been loving you too long

It started so easy

You want to carry on (to carry on)

(refrão)

(G Gb G B A - bass only)

You know you can't fool me

I've been loving you too long

It started so easy

You want to carry on (want to carry on)

(refrão)

(Now I'm lost, lost in love, lost in love, lost in love..)
