

Queen - Ogre Battle

Tom: C

A A A A D
Fa fa fa fa faa

Now once upon a time - an old man told me a fable
When the piper is gone - and the soup is cold on your table

And if the black crow flies to find a new destination

That is the sign

Come tonight
Come to the ogre sight

He gives a great big cry and he can swallow up the ocean

With a mighty tongue he catches flies - the palm of a hand
incredible size

One great big eye - has a focus in your direction

Now the battle is on (Yeah yeah yeah)

Come tonight
Come to the ogre sight

{famous riff}

A A A A D
Fa fa fa fa faa
Hooaa

A (hit at the beginning of each line)

The ogre-men are still inside
The two-way mirror mountain
You gotta keep down right out of sight
You can't see in, but they can see out

"Ooh keep a look out"

From the two-way mirror mountain
They're running up behind and they're coming all about
Can't go east 'cos you gotta go south

{guitar solo}
Aaargh
Aaaaaaaarghh

Ogre-men are going home
The great big fight is over
Bugle blow, let trumpet cry
Ogre battle lives forever more - oh oh oh

You can come along
You can come along
Come to ogre battle

{famous riff}

A A A A Dm
