Queen - One Vision

Tom: C

   If you want to play the keyboard chords for the intro, it works nicely using the open D as the bass note

(Song is in D)
Intro: ------

A
E

Repeat this line once, then :

D--0--0---
A--
E--

Then the main guitar riff starts :

sl=slide down (as the chord dies)

E--

E--

This repeats quite a few times

That second shape is a bit awkward when you first see it

I finger it like this :

  EADGBE

  ------
   1   1=first finger
  ------   :
     2   :
  ------   4=little finger or pinky if you like

     3

    4
  ------ 7th fret

You have to be careful to mute or not strike the top and bottom Es too!

I mute the top one using my first finger

The rest of the chords are easier you'll be glad to know

It goes :

 A   D
  One flesh one bone one true religion

 A   D
  One voice one hope one real decision

 C   C   C

 A Bb B C Db

then back to the riff

Chord shapes :

 EADGBE   EADGBE   EADGBE   EADGBE   EADGBE   EADGBE
 x0222x   x0423x   x3555x   x3556x   x022xx   x133xx

   A   D   C   C   A   Bb

..and so on for B, C - just move it up fret by fret

The intro chords come in again over the middle 8 : 'I

had a dream , when I was young ..' etc
After that it's just repeats of the different sections
