

Queen - Polar Bear

Tom: A

E
 E D A A
 In a bright shop window sits a polar bear
 E D A A
 makes the childrens eyes light up tp see him there
 D D7 Gbm A E
 Amongst the tinsel he gives everyone a smile
 D
 but see him as you see a star
 E
 love him from where you are

A Gbm D A
 He's not for, not for, not for sale
 Past an open window walks the pretty girl
 Does she see me at her feet it's hard to tell
 But if I ask her she might turn her smile away
 To see her as I'd see a star
 Love her from where you are
 She's not for, not for, not for sale
 I guess I'll learn to look
 Without a grasping hand
 Minor contentment wears a smile
 I love her from where I lie
 He's not for, not for, not for sale
 Not for sale
