

# Queen - There Must Be More To Life Than This

tom:

Intro: G Am G B7 C D G

G Am G B7  
There must be more to life than this  
C D G G7  
There must be more to life than this  
C D G Em  
How do we cope in a world without love  
Am  
Mending all those broken hearts  
F D7  
And tending to those crying faces

G Am G B7  
There must be more to life than living  
C D G G7  
There must be more than meets the eye  
C D G Em  
Why should it be just a case of black or white  
Am D G  
There must be more to life than this

Bm  
Why is this world so full of hate  
D  
People dying everywhere  
G Bm  
And we destroy what we create  
D

People fighting for their human rights

C Am F  
But we just go on saying c'est la vie  
D  
So this is life

G Am G B7  
There must be more to life than killing  
C D G G7  
A better way for us to survive  
C D G Em  
I live and hope for a world filled with love  
Am D G G7  
Where we can all just live in peace

[Solo] C D Em E  
F G C C  
F G Am F D

G Am G B7  
There must be more to life than this  
C D G G7  
There must be more to life than this  
C D G Em  
I live and hope for a world filled with love  
Am D G  
There must be more to life than this  
Am Cm  
There must be more to life, much more to life  
Eb C G  
There must be more to life, more to life than this  
[Final] G G7 G G7
