

Queen - Who Wants To Live Forever

```
Who dares to love forever, Ohh
                  tom:
                                                                        Oh yeah, Oh yeah
                  G
Intro: Dm Bb Gm Dm
                                                                        Who wants to live forever?
There's no time for us
                                                                                          Dm
                                                                        Oh, when love must die?
      Dm Dm
There's no place for us
                                                                        [Solo] Bb Dm
What is this thing that builds our dreams

C

Bb

Yet slips away from us
                                                                        But touch my tears with your lips
                                                                        Touch my world with your fingertips
Who wants to live forever?
Bb F Gm
                                                                        F C Dm
                                                                        And we can have forever
Who wants to live forever?
                                                                        F C Dm
                                                                        And we can love forever
                                                                        B G C Ab
Forever is our today
There's no chance for us
                                                                            С
E Dm
It's all decided for us
             F
                                                                        Who wants to live forever?
                                                                        F C Dm
Who wants to live forever?
This world has only one sweet moment
 F C
                                                                        B G F Ab
Forever is our today
Set aside for us
Who wants to live forever?
                                                                        Who waits forever anyways?
