   Tuning - C F Bb Eb G C
                                                                   Every single's blinkin my way
                                                                   Rolling faster all the while
riff 1:
                                                                   You're the one
                                                                   You're the one
riff 2:
                                                                   riff 1:
                                                                   You're the one
riff 3:
                                                                   riff 2:
                                                                   You're the one
lead (keyboard written for guitar):
                                                                   riff 4:
riff 1 2x
riff 2 1x
                                                                   riff 4 lead (keyboard and Josh written for guitar):
riff 1 1x
                                                                   solo 2 (riff 4 and riff 4 lead under):
riff 2 (w/lead):
Follow trails of you to here
Every mile takes you my way Rolling faster if we can
Roll
                                                                   4:00
Tables turnin all the time
                                                                   pause
I'm the dog at your feet
Out of sight and out of time
                                                                   bass break
Yours
                                                                   solo 3 (left channel):
riff 3:
You're the one
You're the one
                                                                   solo....
riff 2:
                                                                   riff 5:
You're the one
