

# Queens Of The Stone Age - Fortress

Tom: **D**

Intro: **G** **Em** **Bm** **A**  
**G** **Em** **Bm** **A**

**G** **Em**  
Your heart is like a fortress  
**Bm**  
Keep your feelings locked away  
**A** **G**  
Is it easier?  
**Em** **Bm**  
Does it make you feel safe?  
**G** **Em**  
You wander through the darkness  
**Bm**  
Of wilderness behind your eyes  
**G**  
I know you're afraid  
**Em** **Bm**  
But you gotta move on

**G** **Em**  
Every fortress falls  
**Bm** **A**  
It is not the end  
**G** **Em**  
It ain't if you fall  
**Bm** **A** **G** **Em**  
But how you rise that says who you really are  
**A** **Bm** **D**  
So get up and come through  
**G**  
If ever your fortress caves  
**Em**  
You're always safe

**G** **Em**  
I believe I know you  
**Bm** **A** **D**  
Yet, I don't truly know myself  
**G** **Em** **Bm**  
I pray you won't feel as alone as I have felt  
**G** **A**  
I don't want to fail you so  
**Bm**  
I tell you the awful truth  
**G** **Bm** **Em**  
Everyone faces darkness on their own  
**A** **Bm**  
As I have done, so will you

**G** **Em**  
Every fortress falls  
**A** **Bm**  
It is not the end  
**A** **G** **Em**

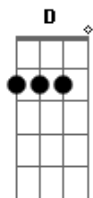

It ain't if you fall  
**A** **Bm** **A**  
But how you rise that says  
**G** **A**  
Who you really are  
**Bm** **D**  
So get up and go through  
**Gbm** **G** **D**  
If ever your fortress caves  
**Em** **Bm**  
You're always safe in mine  
  
( **Am** **G** **Bm** **Em** **Bm** )

**Dbm**  
The Earth spins round the sun  
**Em**  
And behold  
**Bm**  
Everything happens  
**Bm** **D** **A** **Bm** **Em**  
Every night that falls prey to sunrise  
  
( **Bm** **A** **G** **Em** **Bm** )

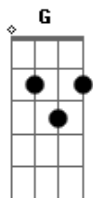

**G** **Em**  
If your fortress is under siege  
**Bm** **A** **Bm** **G** **A** **Em**  
You can always run for me  
**Bm** **D** **G**  
If your fortress is under siege  
**A** **Em** **Bm**  
You can always run

**G** **Em**  
Every fortress falls  
**A** **Bm**  
It is not the end  
**A** **G** **Em**  
It ain't if you fall  
**A** **Bm** **A**  
But how you rise that says  
**G** **A**  
Who you really are  
**Bm** **D**  
So get up and go through  
**Gbm** **G** **D**  
If ever your fortress caves  
**Em** **Bm**  
You're always safe in mine  
**Gbm** **G** **D**  
If ever your fortress caves  
**Em** **Bm**  
You're always safe in mine  
**Gbm** **G** **D**  
If ever your fortress caves  
**Em** **Bm**  
You're always safe in mine
