G Em
Your heart is like a fortress

Bm
Keep your feelings locked away

A G
Is it easier?

Does it make you feel safe?

G Em
You wander through the darkness

Bm
Of wilderness behind your eyes

G
I know you're afraid

Em Bm
But you gotta move on

G Em
Every fortress falls

Bm A
It is not the end

G Em
It ain't if you fall

Bm A G Em
But how you rise that says who you really are

A Bm D
So get up and come through

G
If ever your fortress caves

Em
You're always safe

G Em
I believe I know you

Bm A D
Yet, I don't truly know myself

G Em Bm
I pray you won't feel as alone as I have felt

G A
I don't want to fail you so

Bm
I tell you the awful truth

G Bm Em
Everyone faces darkness on their own

A Bm
As I have done, so will you

G Em
Every fortress falls

A Bm
It is not the end

A G Em
It ain't if you fall

It ain't if you fall

A Bm A

Who you really are
