Tom: D

Intro: G Em Bm A  
G Em Bm A

G Em  
Your heart is like a fortress

Bm  
Keep your feelings locked away

A G  
Is it easier?

Em Bm  
Does it make you feel safe?

G Em  
You wander through the darkness

Bm  
Of wilderness behind your eyes

G  
I know you're afraid

Em Bm  
But you gotta move on

G Em  
Every fortress falls

Bm A  
It is not the end

G Em  
It ain't if you fall

Bm A G Em  
But how you rise that says who you really are

A Bm D  
So get up and come through

G  
If ever your fortress caves

Em  
You're always safe

G Em  
I believe I know you

Bm A D  
Yet, I don't truly know myself

G Em Bm  
I pray you won't feel as alone as I have felt

G A  
I don't want to fail you so

Bm  
I tell you the awful truth

G Bm Em  
Everyone faces darkness on their own

A Bm  
As I have done, so will you

G Em  
Every fortress falls

A Bm  
It is not the end

A G Em  
It ain't if you fall

It ain't if you fall

A Bm A  
But how you rise that says

G A  
Who you really are

Bm D  
So get up and go through

Gbm G D  
If ever your fortress caves

Em Bm  
You're always safe in mine

( Am G Bm Em Bm )

Dbm  
The Earth spins round the sun

Em  
And behold

Bm  
Everything happens

Bm D A Bm Em  
Every night that falls prey to sunrise

( Bm A G Em Bm )

G Em  
If your fortress is under siege

Bm A Bm G A Em  
You can always run for me

Bm D G  
If your fortress is under siege

A Em Bm  
You can always run

G Em  
Every fortress falls

A Bm  
It is not the end

A G Em  
It ain't if you fall

A Bm A

Who you really are
