

Queens Of The Stone Age - If I Had a Tail

Tom: E
Intro:

Verso #1:

Gitchy, gitchy
Oo la la
Da doo run run
You wont get far

I'm machine
I'm obsolete
The land of the free
Lobotomy

I wanna suck
I wanna lick
I wanna cry
I wanna spit

Tears of pleasure
Tears of pain
They trickle down your face the same

It's how you look
Not how you feel
A city of glass with no heart

Refrão:

If I had a tail
I'd own the night
If I had a tail
I'd swat the flies

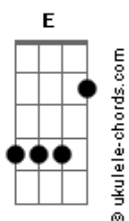

Yeah, oh oh, oh oh, oh oh
Yeah, oh oh, oh oh, oh oh

Solo:

Verso #2

Gitchy, gitchy
Oo la la
Da doo run run

Acordes

You won't get far

Animals in the midnight zone
When you own the world
You're always home

Get your hands dirty
Roll up them sleeves
Brainwashed or true believers?

Buy flash cars
Diamond rings
Expensive holes to bury things

I'm machine
I'm obsolete
In the land of the free
Immortality

Refrão:

If I had a tail
I'd own the night
If I had a tail
I'd swat the flies

Yeah, oh oh, oh oh, oh oh
Yeah, oh oh, oh oh, oh oh

Bridge:

Interludio:

Yeah, oh oh, oh oh, oh oh
Yeah, oh oh, oh oh, oh oh

Interludio:

Oh oh, oh oh, oh oh
(See me dance along the scars?)
Oh oh, oh oh, oh oh
(See me dance?)

Interludio #2:

Fim:
