Promising you won't feel a thing
At all

Riff Intro (2x)

Riff 1(8x)
Somehow they pick and pluck
Tenderize bone to dust
The sweetest grease, finest meat you'll ever taste
Taste, taste
So you scream, whine, and yell
Supple sounds of dinner bells
We all will feed the worms and trees So don't be shy

Riff 1(8x)
I know, I know the sun is hot
Mosquitos come suck your blood
Leave you there all alone
Just skin and bone
When you walk among the trees
Listening to the leaves
The further I go the less I know
The less I know

Riff 2(1x)
Swallow and chew
Eat you alive
All of us food that hasn't died
