

# Queens of the Universe - Friends Forever

tom:

C  
Whatever we do, we do together  
And it's better  
C F G C F G  
Some people come and go but I'll never be far, oh oh  
C F G C F G  
So glad I met you, I just count my lucky stars, oh oh

F Am  
We're gonna stay close, walk in the same road  
Side by side

C G Am  
Whatever we do, we do together  
And it's better  
C G Am  
Rain or shine, we'll be there for each other  
F  
For forever, oh oh

C F G C F G  
So many memories and many more to make, oh yeah  
C F G C F G

Don't want this chemistry we have to ever change, oh no

F Am  
We're gonna stay close, walk in the same road  
Side by side

C G Am  
Whatever we do, we do together  
And it's better  
C G Am  
Rain or shine, we'll be there for each other  
F  
For forever, oh oh

F Am  
We're gonna stay close, walk in the same road  
Side by side
