Tom: C

The price is high, when you keep the score

Take your souls, and your goals...

Together we stand...

Co?s were winners, and winners, take all

Play those 2 previous riffs two times. (Listen to the song)  
After this comes verse 2.

Down the road...

But we know...

Together we stand...

Co?s were winners, and winners, take all

Repeat these previous riffs two times.(again)
