

# R5 - Forget About You

Tom: C

Oh no here we go  
 Hear your voice on the radio  
 Like every single song  
 Is about you  
 Ever sec that we spent  
 Lots of mess stuck up in my head  
 Got me so distracted  
 And confused  
 Baby I think I've lost my mind  
 Feels like you've crashed into my life  
 I keep on losing track of time  
 I'm so messed up yeah  
 I'm so messed up  
 I can't remember what I did tonight  
 Or even yesterday  
 Like dude where's my car?  
 Excuse me what's my name?  
 Someone gave me this clothes  
 I can't remember who  
 my mind's a total blank  
 But I just can't forget about you  
 Forget about you  
 ( F C G F )  
 Think that's coming back  
 Something 'bout the time we had  
 Wish that we would have been recording  
 So right super tight  
 Can't recall a thing last night  
 We woke up with a smile in the morning  
 Baby I think I've lost my mind  
 Feels like you've crashed into my life

I keep on losing track of time  
 I'm so messed up yeah  
 I'm so messed up  
 I can't remember what I did tonight  
 Or even yesterday  
 Like dude where's my car?  
 Excuse me what's my name?  
 Someone gave me this clothes  
 I can't remember who  
 my mind's a total blank  
 But I just can't forget about you  
 Forget about you  
 ( F C G F )  
 I just can't  
 Forget About You  
 Forget About You  
 Which way is up?  
 Which way is down?  
 Can't stop this room from spinning 'round  
 I'm floating high  
 High off the ground  
 Caught in my head  
 Can't get you out  
 I can't remember what I did tonight  
 Or even yesterday  
 Like dude where's my car?  
 Excuse me what's my name?  
 Someone gave me this clothes  
 I can't remember who  
 my mind's a total blank  
 But I just can't forget about you  
 Forget about you  
 ( F Am C )  
 ( F Am F )  
 ( F Am C )  
 ( G F )
