

R5 - Forget About You

Tom: C

Oh no here we go
 Hear your voice on the radio
 Like every single song
 Is about you
 Ever sec that we spent
 Lots of mess stuck up in my head
 Got me so distracted
 And confused
 Baby I think I've lost my mind
 Feels like you've crashed into my life

I keep on losing track of time
 I'm so messed up yeah
 I'm so messed up

I can't remember what I did tonight
 Or even yesterday
 Like dude where's my car?
 Excuse me what's my name?
 Someone gave me this clothes
 I can't remember who
 my mind's a total blank
 But I just can't forget about you

Forget about you
 (F C G F)

Think that's coming back
 Something 'bout the time we had
 Wish that we would have been recording
 So right super tight
 Can't recall a thing last night
 We woke up with a smile in the morning
 Baby I think I've lost my mind
 Feels like you've crashed into my life

I keep on losing track of time
 I'm so messed up yeah
 I'm so messed up
 I can't remember what I did tonight
 Or even yesterday
 Like dude where's my car?
 Excuse me what's my name?
 Someone gave me this clothes
 I can't remember who
 my mind's a total blank
 But I just can't forget about you

Forget about you
 (F C G F)
 I just can't
 Forget About You
 Forget About You

Which way is up?
 Which way is down?
 Can't stop this room from spinning 'round
 I'm floating high
 High off the ground
 Caught in my head
 Can't get you out

I can't remember what I did tonight
 Or even yesterday
 Like dude where's my car?
 Excuse me what's my name?
 Someone gave me this clothes
 I can't remember who
 my mind's a total blank
 But I just can't forget about you

Forget about you
