

R5 - Heart Made Up On You

Tom: Ab

(com acordes na forma de G)
 Capotraste na 1ª casa
 You said what you said
 When words are knives it's hard not to forget
 But something in my head wouldn't reset
 Can't give up on us yet
 No, woah

Your love was so real
 It pulled me in just like a magnetic field
 I'd let you go but something's taking the wheel
 Yeah it's taking the wheel
 Oh, oh

My mind says, "No, you're no good for me"
 You're no good but my heart's made up on you
 My body can't take what you give to me
 What you give, got my heart made up on you
 Wo-oooh, wo-oooh
 Got my heart made up on you

I should be making a break
 Up all night thinking I'm planning my escape
 But this insomnia ain't going away
 And now I'm back at your place
 Oh, no

My mind says, "No, you're no good for me"
 You're no good but my heart's made up on you
 My body can't take what you give to me
 What you give, got my heart made up on you
 Wo-oooh, wo-oooh
 Got my heart made up on you
 (Em C Bm) 2x

Look what you did, what you did
 What you're doing to me
 You got me searching for the words, like a silent movie
 I can't breathe, I can't see, it's so out of control
 But, baby, honestly my hands are up, I'm letting go, go, go,
 go, go
 Got my heart made up on you
 My mind says, "No, you're no good for me"
 You're no good but my heart's made up on you
 My body can't take what you give to me
 What you give, got my heart made up on you
 Wo-oooh, wo-oooh
 Got my heart made up on you

My mind says, "No"
 Got my heart made up on you
 Up on you, up on you
