

# R5 - Lightning Strikes

Tom: C

There ain't no way that I could ever forget you  
 I can't remember why I ever went and left you  
 Maybe I was hitting my head  
 Maybe must've been something that I said  
 Maybe I want to take it back tonight

Oh oh oh oh no oh oh oh oh  
 You don't have to tell me twice  
 When lightning strikes  
 Oh oh oh oh no oh oh oh oh  
 You don't have to tell me twice  
 When lightning strikes

Eh eh eh eh eh eh eh eh

So what be is it that I wasn't seeing clearly  
 'Cause right before my eyes you were disappearing  
 If I could just go back in time  
 Say the words that blow your mind  
 Loneliness is such a crime

There ain't a thing I wanna do I wanna do yeah  
 Maybe I wouldn't have been so crazy  
 I was stupid letting you go  
 Maybe I want to take it back tonight  
 Oh oh oh oh no oh oh oh oh  
 You don't have to tell me twice  
 When lightning strikes  
 Oh oh oh oh no oh oh oh oh  
 You don't have to tell me twice  
 When lightning strikes  
 Why Did I Let you go  
 Why Did I

Oh oh oh oh no oh oh oh oh  
 You don't have to tell me twice  
 You don't have to tell me twice  
 Oh oh oh oh no oh oh oh oh  
 You don't have to tell me twice  
 When lightning strikes
