

R5 - Wishin I Was 23

Tom: C

Maybe she's just too old for me
 Livin in Teenage fantasy
 Feelin there's so much we could be
 She's got me wishing
 Yeah she's crazy but I don't care,
 She's sexy and she's a millionaire
 the way she gets me is so unfair (Not your typical rich girl)
 She's smoking hot if you know what I mean
 tight jeans and she loves her photography
 and everything thats in between (You know she's been around
 the world)
 I know (She's graduated)
 And I'm not (Quite educated)
 Im young, you know, age is overrated

Maybe she's just too old for me
 livin in a teenage fantasy
 feeling theres so much we could be
 every time I'm with her, calling me a dreamer
 Maybe she's just out of my reach
 maybe her boyfriend's a marine,
 even though i'm nameless, and she's famous, she got me wishing
 Wishing I was 23, woah oh, woah oh oh,
 Wishing I was 23 Woah oh, oh oh
 I think about her everyday,
 going insane thinking bout what to say
 what am I doing anyway (Am I even on her radar)

I know (She's graduated)
 And I'm not (Quite educated)

Im young, you know, age is overrated
 Maybe she's just too old for me
 livin in a teenage fantasy
 feeling theres so much we could be
 every time I'm with her, calling me a dreamer
 Maybe she's just out of my reach
 maybe her boyfriend's a marine,
 even though i'm nameless, and she's famous, she got me wishing
 Wishing I was 23, woah oh, woah oh oh,
 Wishing I was 23 Woah oh, oh oh
 And If I was older
 She would let me take her
 to watch the stars at night
 we could dance we could kiss underneath the light
 and if it got colder
 she would let me hold her
 wrapped up in fairy tales gotta wake up from this dream, ohh
 Maybe she's just too old for me
 livin in a teenage fantasy
 feeling theres so much we could be
 she got me wishing...
 Maybe she's just out of my reach
 maybe her boyfriend's a marine,
 even though i'm nameless, and she's famous, she got me wishing
 Wishing I was 23, woah oh, woah oh oh,
 Wishing I was 23 Woah oh, oh oh
 I got her wishing wishing, she was 17
 Woah oh, woah oh, Wishin I was 23
 Woah oh, oh yeah yeah oh
