

Rachael Jenkins - Secrets

Dbm E
Let me explain what I mean when I say

B A
I never thought that I'd end up here

Dbm E
Driving in circles and eating when I'm full

B A
Just to fill the years

Dbm E
I'm down and I'm out then I'm down again

B A
I'll go for a walk when my head starts to spin

Dbm
I could list every crime

E
Every wandering eye

B A
All the hands I didn't want near me

B
But it's not that easy

Dbm A E B
Do I keep secrets or do they keep me?

Dbm A E B
Will I be quiet for eternity?

Dbm E
I'd go swimming in my bed with words I left unsaid

B A
Let them drown me out

Dbm
I'll do wrong on purpose

E
Pretend I'm not nervous

B A
For when my head hits the ground

Dbm E
I am older but I'm none the wiser

B A
And I'm nauseous from all the reminders

Dbm
I will not come to terms

E
I would rather eat dirt

B A
Then admit the things that I see in my sleep

B A
On my knees till I bleed

Dbm A E B
Do I keep secrets or do they keep me?

Dbm A E B
And can you tell that I'm lying through my teeth?

Dbm A E B
Send me out to space

Dbm A E B
Where everything is quiet

Dbm A E B
I'll burst into flames

Dbm B
And I'll like it

A
All the quiet
