

Radiant City Music - Break It Open

tom:

F

We fill the room
 With the fragrance of our worship
 We sing to You the words
 That move Your heart
 Our song is Yours and
 Our lives Your magnum opus
 We break it open

We fill the room
 With the incense of surrender
 We bow to You
 With reverence in our hearts
 We take the vial
 Of unwavering devotion
 We break it open

We pour our love on You
 We waste it at Your feet

We fill the earth
 With our ceaseless prayer and worship

We offer You
 The moments in our days
 Our lives are Yours
 In this bottle called our high praise
 We break it open

We pour our love on You
 We waste it at Your feet

We love we love
 We love You God
 We love we love
 We love You God
 We love we love
 We love You God
 We're still singing

The same song

We pour our love on You
 We waste it at Your feet
 We spend our years on You
 We waste it at Your feet
