

# Radical Face - Bad Blood

Tom: G  
Intro: G

Verso 1:

<sup>G</sup>  
<sup>Em</sup> The holes in the floor boards, the cot near the front door  
The moon was gone from sight the world was dark as nightmare  
You took all my fears and you wrapped them in wonders  
But there's no magic inside the moon  
It's just a rock you can't reach

Bridge 1: G D Em C

Verso 2:

<sup>G</sup>  
<sup>Em</sup> I was never the sharp knife, but I was never the dull mind  
I was somewhere in between a thorn an acquiescent  
So you said it was for me when you tried to break me

<sup>C</sup>  
<sup>G</sup> But you can save your breath I know, I'm not the kind you pray for

Bridge 2:

<sup>G D Em C</sup>

[Verse 3]

<sup>G</sup> Took a river of bad blood but now I see where we came from  
Can't grow a proper branch when half the trunk is rotten

<sup>Em</sup>

And you swore that it hurt you while pushing your knife through

<sup>G</sup> Well you can save your breath I know, we're not the kind you'll pray for

[Fim]

<sup>G D Em C</sup>
