

Radical Face - Sleepwalking

Tom: G

Verso 1:

G D
I fell asleep in the chair by the fireplace
C
And I woke up in the kitchen sink
G D
With an umbrella full of holes overtop my head and
G Em
I fell asleep on the table with your picture in hand
C
And I woke up in the cupboard
G D
With some scrapes on my arms and a mouthful of hell

Verso 2:

Em
Chains are rattling in the attic again
C G
And the birds are building nests in the windowsill
D
Dust has settled over everything
D
And the ceiling fan still cuts a lazy circle
Em
I got a picture on the mantle piece
C G
Of the way that I thought that we'd end up
G
But this shares no resemblance to that
D G
Yeah, that shares no resemblance to that at all

Verso 3:

G D
I tore the dreams from my head and tossed them in the flames
C
And the smoke smelled like my past
G D
And it stung my eyes, but I was too stubborn to blink and
G Em
I slept inside the piano 'till the rain was gone
C
And I woke up when I saw the sun
G
And wiped the sleep from my eyes
D
Yeah, I knew my time had come
Solo 2x: Em C G D

Final:

C D G Em
We're all still a part of everything that we were
C D G
And we'll all float along with everything
Em C D G
And in turn, we'll all fall apart with everything
Em C D Em
But we'll learn just what things are like outside our heads
C D Em G
And I hear them singing
C D Em G
And I hear my name
C D G D7 Em
And I feel you scrub my skin
C D G
And I was happy to fade
(G D C G D G Em C G D)
